

THE ACADEMY OF THE HOLY CROSS Class of 2021 Senior Yearbook Portrait Sessions

All seniors must be photographed AT OUR BETHESDA STUDIO during July and August to ensure that their photo appears in the yearbook. (The senior section of the yearbook is the first to go to press.)

Your school requires all girls to wear a solid black boat neck top running shoulder to shoulder along the collarbone, with 3/4 or full length sleeves for the individual portrait. For the health and safety of all students, the black velvet drape is UNAVAILABLE this year. Please note: if you come for your appointment without the school-required top, we will be unable to photograph you and will have to reschedule your appointment.

For a more extensive portrait experience, choose the Extended session, which offers a variety of poses and one clothing change to showcase your personality and style outdoors. Should you choose the Extended sitting, we will have to reschedule your appointment to allow more time for the additional photography.

- Please make note of your pre-assigned appointment day and time in your email. If you did not receive the email, please call us at 301-654-3185 or email info@stonephotography.com to receive your pre-scheduled appointment day and time.

PREPARING FOR YOUR SENIOR PORTRAIT SESSION

CHECK YOUR CLOSET

- For Yearbook Poses, a solid black, boatneck top running shoulder to shoulder along the collarbone with 3/4 or full length sleeves is required for all students. The black velvet drape is unavailable this year for the health and safety of all students.

- Accent your look with jewelry
- For outdoor poses think fun: sunglasses, hats, shoes, a bright scarf, sport uniform, even siblings and pets.

CHECK THE MIRROR

- Wear heavier make-up than normal, especially mascara.
- Avoid shine by using a light powder or blotting before picture time
- Hair should be flattering to your face
- Don't be sunburned - this cannot be corrected. Chemical tanning products tend to photograph orange
