

SENIOR PORTRAIT PRICE LIST

PRINT COMBINATION PACKAGES

All print packages include an "i-file" for each pose purchased - a low-resolution 72dpi digital file for web use and social networking.
 For multiple pose packages, some print units may be split. Mixing color and black/white is no extra charge.
 Any additional prints/products from a pose in the package are eligible for discounted "Add-on" pricing.

ORDER OPTIONS

PRINT PAPER TYPE

REGULAR - premium photo paper with a lustre finish and subtle texture

+\$ FINE LINEN - premium photo paper pressed with a weave-like texture

PRINT FINISH

REGULAR - lustre surface with a subtle texture

+\$ DELUXE - a protective matte coating that screens out harmful UV light, has a slight sheen

For packages and single units, all prints must be of the same paper type and print finish.

+\$ extra charge applies

IMAGE COLOR

Any print or product may be rendered in full-color or black&white.

Color choice will apply to whole unit, or split unit where allowed in packages.

IMPORTANT ORDERING INFORMATION

Facial Retouching: Your final yearbook selection and any prints ordered will be retouched, at no charge, to eliminate skin blemishes, fine wrinkles and reduce under-eye shadows.

Corrective Retouching: additional charges apply.

Examples include scar removal, glasses glare, braces removal, tan lines, wrinkled clothing, misplaced hair, image manipulation, etc. Contact studio for special requests and pricing estimates.

Cropping: Finished portraits may be cropped differently than digital proofs for a more aesthetic composition and to conform to various print size proportions.
